Dear Professor Roy,

My apologies for belated response to your kind letter dated December 29 2016 with the November-December 2016 issue of your esteemed journal. I have gone through your article on Professor DM Bose and found it fascinating with facts I was not aware of and the one by Prof Das is insightful.

You are indeed keeping alive the great spirit of enquiry and interest in multidisciplinary studies that have been a strength of Bengal.

With my warm personal regards and best wishes for a happy new year.
