... 179

Cover : Music helps to restore nerve connections and control hypospecific hyper stimulation of specific brain areas.

**TO OUR READERS**

Your appreciation of the journal makes us bold to suppose that some of your friends would also like to read **SCIENCE & CULTURE**, the premier scientific monthly of India devoted to the publication of the progress in pure and applied sciences. The Indian Science New Association has been conducting the journal for over 66 years with the editorial co-operation of eminent scientists of India with the object of promoting and diffusing knowledge laying special stress on the progress of scientific studies here and abroad, and advocating methodical application of science to problems of national regeneration.

**Editorial** correspondence should be sent to the Editor, *Science and Culture*, 92, Acharya Prafulla Chandra Road, Calcutta : 700 009. Manuscripts prepared in accordance with the Instruction to Contributors should be submitted in duplicate and will not be returned unless accompanied with return postage.

**Correspondence** relating to subscription, advertisement and other matters should be addressed to the **Hony. Secretary, Indian Science New Association, 92, Acharya Prafulla Chandra Road, Calcutta : 700 009, Phone :- 350-2224.**
