

GANGA ACTION PLAN- ENVIRONMENTAL IMBALANCES, CAUSES AND CURE

ABSTRACT : The target of the Ganga Action Plan (GAP) was to achieve an immediate reduction in the pollution load coming to the river from domestic sources in 25 class I cities located on the river bank in West Bengal, Bihar and Uttar Pradesh. Chandannagore is a part of 15 such class-I towns covered under the first phase of Ganga Action Plan in West Bengal. The GAP schemes for Chandannagore are executed by CMDA with the active co-operation of the Calcutta Municipal Corporation.
